

Semi Permanent Make Up

Cosmetic tattoo treatment is a 3 part process. NOTE: You must book your consultation first. A £50 non-refundable deposit required to secure your booking. Includes aftercare package

Online Consultation -15min (inc posted patch test) Free
A great way to see if the treatment suits you! all from the comfort of your own home! Prior to appointment your MUST read Consultation form pre/aftercare carefully. We will discuss the treatment, desired look & your best options, in some cases I may ask for you to book a face to face consultation.

Face To Face Consultation-1h £ 25
Perfect opportunity to meet me and ask any questions you may have, includes patch test, indebt consultation discussing treatment, desired look, your best options & shape pre draw

PhiBrow Microblading - 3h £250
The most natural technique, in which pigment is scratched into the skin in fine short strokes resembling hair using a hand tool with a blade formed by tiny needles. It is important to keep to the natural hair colour, growth pattern & skin tone to achieve the most natural look. Best for dry/normal skin aged between 18-55, lasting 1-3y

Powder/Ombre Brows - 3h £250
A fuller brow suitable for all, using a machine to insert tiny dots to pigment into the skin it creates a shades effect, healed results will lighten up to 40% similar to a soft powdered makeup effect. It is best for those who prefer a more make up look allowing you to go darker if desired. Best for Oily/sensitive/mature skin, covering/correcting old tattooed brows aged 18 +, lasting 1-3y

Combo Brows -3.5h £300
This technique uses both microblading & machine shading and is suitable for all creating a symmetrical 3D look, it is advised for those with a noticeable unbalance hair growth or those wanting that little bit fuller but natural look that microblading alone can not archive. Best for normal/dry skin, creating balance/symmetry, covering/correcting old tattooed brows aged 18 +, lasting 1-3y

Correction Work—3.5h £300
Only take on a case to case based to achieve best results, your options will be discussed at consultation. This is 1 option for those with old unwanted spmu brows & lips however it will depend on many factors saturation, colour & placement of old pigment, requiring neutralisation of colour & shape correction, treatment is usually longer needing a 3rd touch up.

Machine Shading
If you decide to add at touch up 4-8 weeks only £ 50

Lip Blush - 3h £250
A semi-permanent makeup procedure that implants pigment by using a machine with a fine needle that creates a soft subtle blush all over the lip by simply enhancing your natural shape giving your lips a fuller appearance, boost of vitality, definition & colour. The colour can be matched to your natural lip, or you can choose to go for a more vibrant look just bring your favourite lipstick so we can match it on the day. Healed results will lighten up to 40% . Suitable for all skin types aged 18+, lasting 1-3y

Touch up - 1.5h £ 50
It Touch ups are essential to complete your treatment, you must book within 4-8 week from your 1st appointment. oily/sensitive skin or correction work may require a 3rd top-up within 3-6m, after this time frame it will be considered a colour refresh).
